

PLEASE READ!

The restaurants participating with *The Seacoast Dining Card* are noted for their excellent food including tantalizing appetizers, excellent wine selections and scrumptious desserts. Take advantage of your generous discount to sample one or more of these when visiting these fine restaurants!

1. **HOW YOUR MEMBERSHIP WORKS...** Each restaurant will accept your card once. Your *Seacoast Dining Card* membership entitles you to have one free or discounted entree when one entrée of equal or greater value is purchased. **If no maximum discount is noted, the restaurant is two for one.** One card may be used for every two people dining up to a maximum of six persons. **Three cards is the maximum number you may use at one table by one group at one time.** The three least expensive entrées will be deducted or discounted. **This offer is not valid with other discounts, promotions or incentives.**
2. **REGULAR MENU...** Your membership entitles you to order from the regular adult menu offered to the public. Some items and specials may be excluded. If you have a question about what entree's are discounted, ask your server prior to ordering. A child's portion is not an adult dinner. Thus, if two or more adult dinners are ordered in addition to a child's portion; the least expensive adult entrée will be complimentary or discounted.
3. Unless otherwise noted, appetizers, desserts and beverages are extra and must be paid by you.
4. **DAYS CARDS ARE HONORED...** *Check your directory carefully!* Your membership is welcome **only** on the days specified and **only** if you are seated at the table during the hours specified in the directory. **Do not** put the restaurant in an uncomfortable position by asking them to accept the card under conditions not stated in this guide. Reservations are suggested for most restaurants and are required for some.
5. **PRESENTING YOUR CARD...** Discreetly present your membership card **when you place your order** to give your server adequate time to calculate your check accurately. Be sure your card has not expired and that you are dining during the hours or days specified by the restaurant. The restaurant may refuse to honor your card if you present it too late. **Some restaurants may refuse to accept your card that evening if your late presentation delays others.**
6. **TIPPING...** In most cases a 15% - 20% gratuity will be added to your total check before deduction of your free entrée. This gratuity is customary. If the gratuity is **NOT** added to the check, please remember to calculate it on the **TOTAL** check before the deduction.

7. Your server will punch or mark out the restaurant's number on your card. Check your card to be sure the correct number was marked. If an incorrect number is marked, please notify the restaurant right away or contact us. We will see that the mistakenly punched restaurant is made available to you.
8. **LOST CARDS & GUIDES...** *Seacoast Dining Card* is not responsible for lost or stolen cards. A \$5.00 charge will be made to replace the card or guide *regardless* of the reason. **Treat your card like cash! Limit 1 replacment per member.**
9. **CARDS NOT HONORED...** If an establishment is unable to honor your membership as a result of ownership change, a fire or any other cause, or if a restaurant elects not to honor your card for ***any reason***, *Seacoast Dining Card* is not responsible.

HOLIDAYS & 3 DAY HOLIDAY WEEKENDS

10. Your membership is **NOT VALID** on the following holidays:

New Year's Eve	New Year's Day	Valentine's Day
President's Day	St. Patrick's Day	Easter
Mother's Day	Memorial Day	Father's Day
July 4th	Labor Day	Thanksgiving

 unless denoted differently in your directory.

Three day holiday weekends are the Fridays, Saturdays, Sundays and Mondays before....

Martin Luther King Day	President's Day
Patriot's Day	Memorial Day
Labor Day	Columbus Day
	July Fourth
	Veteran's Day

11. **SEASONAL RESTAURANTS...** Some restaurants are seasonal; others have reduced schedules during the "off season". If in doubt, call the restaurant you have selected to be certain they are serving and accepting the card when you wish to visit.
12. The coupons offered in the back of this book are an added bonus for our members. *Seacoast Dining Card* takes no responsibility for the individuals or companies presenting these services for you.
13. Your membership is not transferable.
14. **DISPUTES...** Our restaurants welcome your business, this why they participate in the program. **DO NOT**, however, expect a restaurant to deviate from their published rules. When a question of this nature arises, **IN ALL CASES**, the published rules prevail. If you feel there is a legitimate misunderstanding, contact us and we will try to resolve it for you.
15. **CARD ABUSE...** *Please* adhere to the rules of the club and our participating restaurants. If a member is found to be abusing membership privileges, *Seacoast Dining Card* may decline to renew membership at its sole discretion.
